Biography

Raymond Kub is the President of the South Dakota Electrical Council (SDEC) Board of Directors. He has served on the SDEC Board of Directors since 1999.

He is a registered Professional Engineer licensed in South Dakota and is a graduate of the South Dakota School of Mines and Technology with a B.S. degree in Electrical Engineering. He retired as the Billings Area Regional Communications Engineer for the U.S. Department of Energy, Western Area Power Administration in 2004. His career with the U.S. Bureau of Reclamation and Western Area Power Administration spanned over 35 years. The majority of the career was spent in communications engineering and management positions and he was the Bismarck District Manager from 1992 to 1997.

In 1969, he was commissioned as an officer in the U.S. Army Signal Corps. He spent 28 years on active duty and reserve assignments, retiring as a Lieutenant Colonel in 1997. He is a Distinguished Graduate of the Command and General Staff College.

Presently, he and his wife, Candis, operate a diversified livestock farm in Edmunds County. He is a member of the Institute of Electrical and Electronics Engineers (IEEE) and holds an Extra Class amateur radio license.
