

Brookings/Watertown Chapter

October 2025 Newsletter

Greetings Brookings /Watertown SDEC Members.

I hope you are all enjoying the best time of the year in this great state of South Dakota.

I have been getting some inquiries about upcoming chapter classes so I want to update you about our shift in plans going forward.

Due to waning interest/attendance for our evening classes for the past couple of years we are going to try something different.

We will be hosting a 4 hr. class on Friday, December 12th from 11:00 to 3:30 PM at Domellies Steakhouse in Brookings, SD.

Aaron Stroud, chief electrical inspector for the City of Sioux Falls, will be our presenter for this class which will be good for 4 code hrs. Depending on how much interest and how well this class is attended we would like to hold a 2nd class in Watertown in future years. (Perhaps even in 2026).

This class (or classes if we host one in Watertown this cycle) will be the only class offerings by our chapter.

I will be sending out a flier soon with the details for this class/event. Please mark your calendars and save the date.

Reggie Gassman
